- (C) Regulations governing the public use of the Capitol Building and grounds are set forth in section (4) of this rule.
- (H) As used in this rule, the term “grounds” means the land lying between a public building and the property line of the land on which the building is situated.

## ADDITIONAL INFORMATION REGARDING THE USE OF THE SOUTH LAWN OF THE MISSOURI STATE CAPITOL BUILDING:

- Site amenities may be brought in for events, i.e. chairs, tables, etc. These are the sole responsibility of the user.
- Items that require anchoring into the ground are not permitted, as the area is covered by an underground lawn irrigation system
- Any use that does damage to the sidewalks or lawns is prohibited (i.e. barbecue grills must have protection under them; any liquid or substance that would kill grass is prohibited [this includes ice], or must be moved to a sidewalk.)
- All parties are responsible for proper cleanup of the area and disposal of all trash.
- The facility manager may impose reasonable limits on the duration of the activity and the space allocated to it, and may furnish materials, supplies, and equipment needed for the activity, if such are available, but may limit the amount furnished so that government property may remain accessible to other members of the general public.
